

Installation and Relocation

We provide professional racking, mezzanine, and shelving installation and relocation service. Our installation crews are insured, licensed, and bonded, with extensive experience. Our installers follow manufacturing installation instructions as well as CSA standards on all the products we provide.

- Professional & reliable crew
- WCB and insurance
- Expect high quality work
- Rack, shelving, and mezzanine tear down & re-install
- We can help if / when you are moving to your new facility!

Use our warehouse relocation service!

Moving a warehouse or industrial facility requires the relocation of both raw and finished goods inventory, storage racking, heavy machinery, handling equipment and technology assets. We understand the importance of each of these elements in maintaining standard operation of your business and we are focused on streamlining the relocation process to help you relocate with less stress and down-time.
